The monthly newsletter of the Lake Buchanan Conservation Corp. a non-profit 501c3 corporation.

Nominations for three directors will be received at the next meeting

It is that time of the year again. The terms for three of our directors end on December 31, 2008. Those directors are:

Gwen Carpenter (Secretary)

Alan Jankowski (Vice President)

Jerry Moore (Director)

Terms for the directors of the Lake Buchanan Conservation Corp. are for two years. There are a total of 7 directors as listed below. In accordance with the by-laws, directors are elected by the members and the officers are elected by the directors. Only directors can be officers.

In order for our organization to continue to be successful, members need to volunteer, be nominated, be elected and serve, whether they be current directors or 'New Blood'.

I would encourage each of our members to consider serving on the board and as an officer of the LBCC, or ask another member, who you think would do a good job, to serve.

If they agree, please nominate them.

We will accept nominations from the members at our meeting on Tuesday, then we will vote for three directors at our December meeting after accepting additional nominations at that time.

Volume 1 Number 11

November 13, 2008

We're Going Whole Hog at our next meeting

November 18 at 7:00 PM

Our guest speaker will be Dr. David Finch, a veterinarian with the Texas Animal Health Dept. He will give us an in-depth look at the Central Texas feral hog population. He will include early history, a discussion of their living habits and the laws governing their hunting capture and transfer. It should be an interesting and unique program

We meet on the third Tuesday of each month at 7 PM at the LCRA building on RR 1451 just south of Hwy 29 in Buchanan Dam.

Fishing Survey cards Due

Please turn in all completed fishing survey cards you may have. Bring them to the meeting or call me at 325-379-1553 and I will pick them up
