Next Meeting; June 15 at 7:00 PM

Ryan Rowney, Manager of Dam and Hydroelectric Operations for the LCRA, will present our program. He will bring us up to date on the LCRA's dam and lake activities and brief us on their plans for the new Ferguson Power Plant. Ryan is good at answering questions and will give us straight information. He has visited us before and is always an interesting speaker.

Golf Tournament

Our Second Annual Golf Tournament was a success. Our net profit was almost \$3600, which is down about \$400 from last year. We had about the same number of players but fewer Hole and Board sponsors. Our expenses were less as we did not have to pay for as many new signs. All players enjoyed themselves and we hope will come back next year.

Used Battery Collection

Todd Boyd and Tony Medlock collected many batteries on June 5. The LBCC received \$340! Batteries are still being received, contact Todd or Tony. Thank you Todd for heading this effort up!

Fourth Annual Casino Night - July 10

Call Jerry Moore at 512-756-7333 to help and/or donate items for prizes. Tickets are \$20.00. Purchase early and get 3000 chips. Pay at the door and get 2500. Call Jerry or me at 325-379-1553.

Shotgun Raffle

Ticket sales are going well on a Benelli M2 Field 12 ga Shotgun with a ComfortTech Synthetic stock from McBride's Guns. Tickets sell for \$10.00 each, 6 for \$50.00 or 12 for \$100.00. A maximum of 600 tickets will be sold. The drawing will be held during our Fish Fry on September 4, 2010 at the Hill Country Hall in Buchanan Dam. Fred Gibson has agreed to manage the raffle for us. For tickets, contact Fred at 512-914-2670 or me at 325-379-1553.

Hybrid Striper Survey

We have collected about 100 heads for this study. Texas Parks and Wildlife have them and will determine their ages. Steve Magnelia of TPWD will present our program in July and will have the results of the study at that time. This will help measure the effectiveness of our restocking work.

2010 Restocking

We released 1,250,000 Hybrid Striper Fry into the lake on June 3. This brings the total over five years to more than 5 million! Thank you to all of those members who provided boats and time to do this restocking. We expect the 50,000 fingerlings we have on order to be in later this month.

Display Board

We have installed a Display Board at the Llano County boat ramp. It has room for a large map of the lake and several notices of interest to users of the lake. It is dedicated to the memory of Larry Boyd, one of the founders of the LBCC. A plaque will be mounted on the board in his honor. To the right of the board is a beam with hooks for anglers to display their catch and have their picture taken. We thank Clancy Terrell for building it and the LBCC members who helped install it. Go by and check it out!

Meeting Prize

Last month, Sue Scherer won an LBCC cap. Congratulations Sue and thank you Butch Whitworth for making our meetings more interesting. It does pay to attend our meetings! Please patronize all of our business members.
