PRESS RELEASE

LOCAL SAILING ENTHUSIAST TO SPEAK

Don Bynum, a world experienced sailor and racing enthusiast, will be a welcome guest speaker at the next meeting of the Lake Buchanan Conservation Corp. Bynum has enjoyed 44 years of racing small sailboats in the US and UK and is currently racing single-handed Sunfish class dinghys in Texas, Louisiana, Oklahoma, and Kansas regions. Bynum is actively promoting sailing events and regattas to people who do not know about the area and the many possibilities and opportunities that are available on Lake Buchanan. He has currently arranged for a Sunfish regatta for September 10 and 11. Bynum will be seeking assistance from local power boat owners to conduct this regatta. Bynum's enthusiasm for sailing spills over into other areas of his active life as well. Cycling is another love that keeps him peddling all over the hill country, and points beyond, with others that he has recruited into the sport. Bynum's infectious personality and master of spinning a "good old yarn" will keep the meeting lively and interesting. The meeting is open to the public and will take place at 7:00 pm on Tuesday, July 19th at the LCRA building located on RR 1431 just south of Hwy 29 in Buchanan Dam. Everyone is welcome.
