**PRESS RELEASE**

Another exciting weekend of events has been planned for approximately thirty men and women from the Soldiers in Transition program from Fort Hood. Members of the Lake Buchanan Conservation Corp in partnership with the Thunderbird Resort, the Burnet Rotary Club, and organized by Cross Water Outfitters, are planning some outstanding fishing experiences for these soldiers and their families that will include setting jug lines for cat fishing, an afternoon of bass fishing with professional guides, topped off with BBQ's and fish fries all weekend, beginning May 20<sup>th</sup>. The entire weekend is complimentary in appreciation of our military.

Here to tell us all about the plans is Brian Knieriem, from Cross Water Outfitters in Killeen, who will address the members of the Lake Buchanan Conservation Corp at their next meeting, to be held on Tuesday, May 17<sup>th</sup> at 7 PM. The location is at the LCRA Western Complex, located just south of the SH 29 and RR 1431 intersection in Buchanan Dam. The public is encouraged to attend this gathering and all meetings of the LBCC.
