**PRESS RELEASE**

**LBCC TO HONOR WARRIORS IN TRANSITION**

A special treat is in store for about 15 of our returning soldiers. On Saturday, September 18<sup>th</sup>, four top-notch fishing guides, members of the Lake Buchanan Conservation Corporation, will be participating in a joint activity with Thunderbird Resort and the Warriors in Transition Brigade of Fort Hood. Professional Fishing Guides, Clancy Terrill, Jerry Moore, Rick Szukalla, and Ray Williamson will be taking these soldiers out for an adventure of striper fishing on beautiful Lake Buchanan. The Thunderbird Resort will be providing cabins, breakfast, snacks, a Friday night BBQ and a Saturday night Fish Fry all in their honor. Watching the football game between Texas and Texas Tech will also be an option in one of the meeting rooms. Breakfast, with a devotion led by John Tubbs, is scheduled for Sunday. LBCC has donated \$200 to help defray the cost of food for this appreciative gathering. Warriors in Transition is a program to help heal returning soldiers as they transition back to civilian life.

The recent fish fry, held by LBCC, to raise money for Lake Buchanan improvements, was a tremendous success, thanks to 366 people who attended and donated to the dinner and silent auctions. Congratulations to Brandon Arrington of Kingsland for winning the Benelli M2 Field 12 ga shotgun that was raffled. LBCC is very appreciative to all who attended this annual event. The next meeting of the LBCC is on Tuesday, September 21<sup>st</sup> at 7 PM. Guest speaker will be Game Warden, Rick Snitkin, from Texas Parks and Wildlife to update everyone on the latest fishing and hunting regulations. The location is at the LCRA Western Complex, located just south of the SH 29 and RR 1431 intersection. The public is welcome to attend!
